ARTICLE I

The President shall preside at all Members and Directors' meetings. The President may, and upon demand of one-third (1/3) of the Members, shall call a special meeting of the Members or Directors. Such special meetings shall be held upon giving the notice required in Article XIV of the By-Laws. The President shall perform all other duties that usually pertain to the office or are delegated by the Board of Directors.

ARTICLE II

The Vice-President shall, in case of the absence or disability of the President, perform the duties of the President. The Vice-President shall oversee the Corporation's conservation and wellhead protection programs and shall perform other duties as delegated by the President or the Board of Directors.

ARTICLE III

The Secretary shall keep minutes of all meetings of Members and Directors. The Secretary shall maintain, or cause to be maintained by an employee or other assistant approved by the Board of Directors, current records of the Membership of the Corporation. The Secretary shall have custody of the seal of the Corporation and shall affix it as directed hereby or by resolution passed by the Board of Directors or Members.

ARTICLE IV

The Treasurer shall have the custody of all the monies and securities of the Corporation and shall keep regular books of financial records. The Treasurer shall supervise the preparation of all required fiscal management reports and shall prepare quarterly and annual budget reports for the use of the Board of Directors. All monies of the Corporation shall be deposited by the Treasurer in such depository as shall be selected by the Directors. Checks must be signed by the Treasurer and the President or, in the absence of the President, the Vice-President. No Corporate checks may be negotiated without two signatures. The position of Treasurer and other positions entrusted with receipt and disbursement of funds shall be placed under a fidelity bond in an amount which shall be set from time to time, but not less than once a year, by the Board of Directors.

ARTICLE V

The Ombudsperson shall arbitrate all disputes that may arise between Members and the Corporation which cannot otherwise be settled by employees or the President through normal procedures. The President shall assign cases to the Ombudsperson on an as-needed basis, and the Ombudsperson's resolution shall be binding, subject to these By-Laws and the Corporation's Tariff and to review by the Board of Directors at its next scheduled quarterly meeting.

ARTICLE VI

Section 1. The Board of Directors shall consist of five Directors, a majority (3) of whom shall constitute quorum. Annually, at its scheduled quarterly meeting in February, the Board of Directors shall elect a President, a Vice-President, a Secretary, a Treasurer and an Ombudsman. The Directors shall be elected by the Members at the Members regular meeting provided for in Article XIII of the By-Laws and shall serve for three years. The five Directors shall be divided into three (3) classes. Two (2) classes shall be made up of two Directors each, and one (1) class of one Director only. No more than one class's (two Directors') terms shall expire in any one year. At each annual meeting of Members, the number of Directors equal to

the number of the class whose term expires at the time of such meeting shall be elected to hold office until the third succeeding annual meeting of Members. The Directors shall serve without pay but may be compensated for actual expenses by a majority vote of Directors.

Upon the death, resignation or removal of a Director, a successor shall be elected by a majority of the remaining Directors to serve until the next regular or special meeting of Members, at which time the Members shall elect a successor to serve the remainder of the vacated term.

Section 2. Directors may be removed from office in the following manner except as otherwise provided in Article VII: Any Member or Director may present charges against a Director by filing such charges in writing with the Secretary of the Corporation. If presented by a Member, the charges must be accompanied by a petition signed by at least ten (10) percent of the Members of the Corporation. Such removal shall be voted on at the next regular or special meeting of the Members and shall be effective if approved by a vote of 2/3 of those voting if a quorum is present. The Director against whom such charges have been presented shall be informed in writing of such charges at least twenty days prior to the meeting, and shall have the opportunity at such meeting to be heard in person or by counsel and to present witnesses; and the person or persons presenting such charges shall have the same opportunity. If the removal of a Director is approved, such action shall also vacate any other office held by the removed Director in the Corporation. A vacancy in the Board thus created shall immediately be filled by a qualified person other than the removed Director upon a vote of a majority of the Members present and voting at such meeting. A vacancy in any office thus created shall be filled by the Board of Directors from among their number so constituted after the vacancy in the Board has been filled.

Section 3. The President of the Board or his designee shall preside at any meeting of the Members convened to consider removal of a Director as provided under Section 2, unless the President is the subject of charges, in which event the Vice-President shall preside. In the event both the President and the Vice-President are the subject of charges, those Directors who are not the subject of any charges shall appoint one of their number to preside over the meeting. Any meeting convened to consider the removal of a Director shall be conducted in accord with

procedures prescribed by the Credentials Committee established under the provisions of Article XIII. The fact that President, Vice-President, or any other Director has been made the subject of charges does not otherwise prevent such Director from continuing to act in the capacity of Director of the Corporation. Any Director that has been removed under the provisions of this Article shall not be precluded from subsequent election to a position on the Board of Directors.

Section 4. The Board of Directors shall adopt and maintain a conflict of interest policy designed to promote the business of the Corporation and serve the interests of the Membership.

ARTICLE VII

Section 1. Regular meetings of the Board of Directors shall be held at such time and place as the Board may have determined at the next previous regular meeting, and shall include posting of the meeting as required by the Texas Open Meetings Act, Article 6252-17, Tex. Rev. Civ. Stat. by furnishing the notice to the County Clerk of Hunt County and by posting such notice in a place readily convenient to the public in its administrative office at all times for at least seventy-two (72) hours preceding the scheduled time of the meeting. Such notice shall specify the date hour, place and subject of each meeting held by the Board of Directors.

Section 2. Any Director failing to attend a quarterly regular meeting or two consecutive regular monthly meetings, without justifiable cause acceptable to a majority of the balance of the Board of Directors, shall be given written notice by the balance of the Board of Directors that failure by said Director to attend the next consecutive regular meeting without justifiable cause acceptable to the balance of the Board of Directors, shall result in the automatic removal of said Director from the Board. A successor shall be elected by a majority vote of the Directors remaining to serve until the next regular or special Members meeting at which time the Members shall elect a successor for the balance of the term. If the removal of a Director pursuant to this Section occurs at an annual meeting of Members then the successor shall be elected by a majority vote of the Membership in attendance at the meeting.

Section 3. The Board of Directors shall provide access for the public, new service applicants or Members to the regular quarterly meetings of the Board of Directors by setting aside a time for hearing of suggestions, proposals, or grievances. The Board of Directors shall establish reasonable rules for access to such meetings.

Section 4. The Board of Directors shall ensure that all meetings comply with the requirements of the Open Meetings Act, Article 6252-17, Tex. Rev. Civ. Stat., including any subsequent amendment thereto. In the event of any conflict between the provisions of these By-Laws and the requirements of the Open Meetings Act, the provisions of the Open Meetings Act shall prevail.

Section 5. In conducting their duties as members of the Board, each Director (1) shall be entitled to rely, in good faith and with ordinary care, on information, opinions, reports or statements, including financial statements and other financial data, concerning the Corporation or the Corporation's affairs, that have been prepared or presented by one or more Directors or employees of the Corporation; or by legal counsel, public accountants, or other persons retained by the Corporation for the development of professional advice and information falling within such person's professional or expert competence; (2) may believe, in good faith and with ordinary care, that the assets of the Corporation are at least that of their book value; and (3) in determining whether the Corporation has made adequate provision for the discharge of its liabilities and obligations, may rely in good faith and with ordinary care on the financial statements of, or other information concerning, any person or entity obligated to pay, satisfy or discharge some or all of the Corporation's liabilities or obligations; and may rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, prepared or presented by one or more Directors or employees of the Corporation, legal counsel, public accountants, or other persons, provided the Director reasonably believes such matters to fall within such person's professional or expert competence. Nevertheless, a Director must make timely disclosure to the Board of any relevant material information or knowledge he or she may have concerning the affairs of the Corporation.

ARTICLE VIII

The Corporation is a nonprofit Corporation; no part of the income of the Corporation will be distributed to the Corporation's members, directors, or officers.

ARTICLE IX

The Directors of the Corporation shall establish and maintain, so long as the Corporation is indebted to the Texas Water Development Board, in an institution insured by the state or Federal Government or invested in readily marketable securities backed by the full faith and credit of the United States of America, a reserve account separate and apart from other fund accounts of the Corporation. There shall be deposited in such fund the sum as required by a total of all loan resolutions executed by the Corporation in favor of the Texas Water Development Board. Such deposits shall be made monthly and shall continue until the total amount deposited equals the sum as required by the executed loan resolutions, provided that after any withdrawals, such deposits shall be resumed until the amount accumulated in the fund is restored to the sum as required by the executed loan resolutions.

Withdrawals may be made from this fund only upon prior written approval from Texas Water Development Board. Approval shall be made only for emergency repairs, obsolescence of equipment, improvements to facility, and for making up any deficiencies in revenue for loan payments.

The Directors shall invest all sums in this fund not required to be expended within the year in which the same are deposited in bonds or other evidence of indebtedness of the United States of America, or in readily marketable securities backed by the full faith and credit of the United States of America. Securities so purchased shall be deemed at all times to be part of the reserve fund account.

ARTICLE X

Section 1. Every person (which includes any legal entity) owning or having a legal right to the control, possession or occupancy of property served or which may reasonable be

served by the Corporation, shall have the right to become a Member of the Corporation upon payment of the Membership fee hereinafter provided and upon compliance with the Corporation's conditions of water service as provided for in its published charges, rates and conditions of service (see MWSC tariff). Membership shall not be denied because of the applicant's race, color, creed, citizenship, or national origin. It is the intent of the Corporation to provide service on a nondiscriminatory basis to all persons desiring service to the extent that the capabilities of the system will reasonably permit.

Section 2. The Membership fee shall be \$250.00. Payment of a Membership fee or transfer of Membership shall entitle an applicant to further qualify for one (1) connection to the system or shall entitle a transferee of Membership to continue to qualify for service to an existing connection to the system by meeting the conditions for water service as provided in the Corporation's published rates, charges, and conditions of service (see MWSC Tariff). A person may own more than one Membership but each Member shall be entitled to only one vote regardless of the number of Memberships owned. Membership certificates shall be in such form as shall be determined by the Board of Directors.

Section 3. The Membership fee may be revised by the Board of Directors as the Board may determine to be appropriate. In determining the amount of the Membership fee, however, the Board shall ensure that the fee is sufficient to establish the potential Member as being legitimately interested in securing water service from the Corporation for such a potential Member's own needs. Furthermore, the Board shall determine and administer such fee in a manner or in an amount which does not unreasonably deny service to financially deprived potential Members. In no event, however, shall the Membership fee exceed an amount equal to the sum of twelve (12) charges of the Corporation's minimum monthly water rate unless previously approved by Farmers Home Administration.

ARTICLE XI

Where necessary for determining those Members entitled to notice of, or those Members entitled to vote at any meeting or any adjournment thereof, or where necessary to make a determination of Members for any other proper purpose, ownership of Memberships shall be deemed to be vested in those persons who are the record owners of Memberships as verified by the Secretary on the 15th day of the month preceding the month of the date upon which the action requiring such determination is to be taken. Nothing herein shall preclude the holder of a Membership from mortgaging such Membership, or, upon notification of the Corporation, preclude the holder of such mortgages from exercising legal rights pursuant to such mortgages upon proper notice to the Corporation.

ARTICLE XII

Section 1. In order to ensure that business done by the Corporation shall continue within the capacity of its facilities and to prevent undue financial burden on the Members of the Corporation, Membership in the Corporation shall be transferred in accordance with the following:

(a) Except as herein provided, Membership in the Corporation shall be deemed personal estate and a person or entity that owns any stock of, is a Member of, or has some other right of participation in the Corporation may not sell or transfer that stock, Membership, or other right of participation to another person or entity except: (1) by will to person related to the testator within the second degree by consanguinity; (2) by transfer without compensation to a transferee who is a person related to the owner of the stock or other interest within the second degree by consanguinity; or (3) by transfer without compensation or by sale to the Corporation.

(b) Subsection (a) of this section does not apply to a person or entity that transfers the Membership or other right of participation to another person or entity as part of the conveyance of real estate from which the Membership or other right of participation arose.

(c) The transfer of stock, a Membership, or another right of participation under this section does not entitle the transferee to water service unless each condition for water service is met as provided in the Corporation's published rates, charges, and conditions of service (see

MWSC Tariff). Water service provided by the Corporation as a result of stock, Membership or other right of participation may be conditioned on ownership of the real estate designated to receive service and from which the Membership or other right of participation arose.

(d) The Corporation may cancel a person's or other entity's stock, Membership, or other right of participation if the person or other entity fails to meet the conditions for water service prescribed by the Corporation's published rates, charges, and conditions of service (see MWSC Tariff), or fails to comply with any other condition placed on the receipt of water service under the stock, Membership, or other right of participation authorized under Subsection (c) of this section. The Corporation may, consistent with the limitations prescribed by Subsection (a) of this section and as provided in the Corporation's Tariff, reassign canceled stock, or a canceled Membership, or other right of participation to any person or entity that has legal title to the real estate from which the canceled Membership or other right of participation arose and for which water service is requested, subject to compliance with the conditions for water service prescribed by the Corporation's published rates, charges and conditions of service (see MWSC Tariff).

Section 2. Notwithstanding anything to the contrary herein above provided, the consideration for the transfer of any Membership in the Corporation from the original Members, their transferees, pledges, administrators or executors, or other persons, shall never exceed the amount of the original costs of such Membership. No gain or profit shall ever be realized from the sale or transfer of a Membership.

ARTICLE XIII

Section 1. There shall be a regular meeting of the Members, annually, to transact all business that may be properly brought before it. This Annual Meeting shall be held on such day in February as is designated by the Board of Directors at the immediately preceding November quarterly meeting. The Secretary shall give at least fifteen (15) days written notice of, such annual meeting to the Membership indicating the time, place and purpose of such meeting, and shall address and mail the notice to each Member at the address last known to the Corporation. Failure to hold or call an annual or special meeting in accordance with these By-Laws shall give each member rights to compel the Board of Directors to properly hold an annual or special

meeting of the Membership. Voting by proxy shall be permitted. Members holding ten percent (10%) of the votes entitled to be cast, represented in person or by proxy, shall constitute a quorum for the transaction of business.

Section 2. After fixing a date for the notice of a meeting, the Secretary shall prepare an alphabetical list of the names of all voting members who are entitled to vote as of the record date of the meeting. The list must show the address of each voting member. Not later than two (2) business days after the date notice is given of the meeting, and continuing through the meeting, the list of voting members must be available for inspection by any member entitled to vote at the meeting for the purpose of communication with other members concerning the meeting. Such list must be readily available at the Corporation's principal office or at a reasonable place identified in the meeting notice in the community where the meeting will be held. Any voting member, or voting member's agent or attorney, shall be allowed, on written demand, to inspect and, at a reasonable time and at his or her expense, copy the list. Further, the Board shall make the list of voting members available at the meeting and shall allow inspection of such list by any voting member or voting member's agent or attorney at any time during the meeting, including any adjournments thereof.

Section 3. The Board of Directors shall establish a standing Credentials Committee of three (3) Members, of which the Secretary shall be 'the chairperson. This committee shall adopt proper procedures for conducting an annual or special Members meeting; adopt a specific proxy form to be used in conducting an annual or special Members meeting; adopt procedures for proper notification of the Membership of such meetings and delivery of the Corporation's proxy forms to the Membership; determine, qualify, and register the eligible voters for such meeting; validate proxies, determine presence of quorum for conducting the meeting, design ballots, canvass all votes, and institute proper recording of the results of such elections.

ARTICLE XIV

Special meetings of the Directors may be held upon the posting of notice of such special meeting, in the manner provided under Article VII of these By-Laws, at least two hours before the meeting is convened. It shall be the responsibility of the President or his designee to ensure that proper notice is posted. In no event shall any special meeting of the Directors be convened where the business of such meeting could be considered at a regular meeting of the Directors receiving at least seventy-two (72) hours notice as provided under Article VII of these By-Laws.

Prior to convening any special meeting of the Members, the president shall request in writing that the Secretary give at least ten (10) days prior notice to the Members, and that such special meeting is otherwise noticed as provided under Article VII of these By-Laws. Such notice shall specify the time, place, and purpose of the meeting, and shall be addressed and mailed to each of the Members at their address last known to the Corporation.

ARTICLE XV

The business of the Corporation shall be handled under the direction of the Board of Directors by a Manager to be selected by a majority of the Board. The Manager shall serve with or without compensation. The Manager, with the approval of the Board of Directors, may employ, with or without compensation, such supervisory, clerical or other employees as may be required to effectively operate the business of the Corporation. The Manager will act under the supervision of the President, who shall in good faith and in all matters represent the will of the Board of Directors.

ARTICLE XVI

Notwithstanding the ownership of a Membership certificate, all Members shall be billed, disconnected, or reconnected, and otherwise shall receive service in accordance with the written policies of the Corporation, including the Tariff of the Corporation. In the event a Member should surrender his Membership certificate, properly endorsed to the Secretary of the Corporation, the water service shall be discontinued and the obligation to pay for water service

shall terminate except as for the minimum charge for the current month and the charge for water used during the current month, and except as for any prior unpaid amounts due the Corporation. In the event Membership is terminated, canceled, withdrawn, or surrendered, whether voluntarily or involuntarily, the former Member's rights and interest in the assets of the Corporation will not be forfeited.

ARTICLE XVII

Upon the discontinuance of the Corporation by dissolution or otherwise, all assets of the Corporation remaining after payment of the indebtedness of the Corporation shall be distributed among the Members and former Members in direct proportion to the amount of their patronage with the Corporation insofar as practicable. Any indebtedness due the Corporation by a Member for water service or otherwise shall be deducted from such Member's share prior to final distribution. By application for and acceptance of Membership in the Corporation, each Member agrees that, upon the discontinuance of the Corporation by dissolution or otherwise, all assets of the Corporation transferred to that Member shall be in turn immediately transferred by the individual Member to an entity that provides a water supply or wastewater service, or both, that is exempt from ad valorem taxation.

ARTICLE XVIII

The fiscal year of the Corporation shall be the calendar year, and it shall therefore run from 1 January to 31 December.

ARTICLE XIX

For so long as the Corporation is indebted for a loan or loans made to it by the United States of America through the Texas Water Development Board, the Corporation shall properly insure with a reputable insurance company all of its properties.

ARTICLE XX

Section 1. If at the end of the fiscal year, or in the event of emergency repairs, the Board of Directors determines the total amount derived from the collection of water charges to be insufficient for the payment of all costs incident to the operation of the Corporation's system during the year in which such charges are collected, the Board shall make and levy an assessment against each Member of the Corporation as the Board may determine or as may be required by Farmers Home Administration, so that the sum of such assessments and the amount collected from water and other charges is sufficient to fully pay all costs of operation, maintenance, replacement and repayment on indebtedness for the year's operations, but this provision shall not operate for the benefit of any third party creditor other than Farmers Home Administration without a favorable vote of the majority of the Members. Any assessments levied to make up operational deficits in any year shall be levied against Members in proportion to their patronage with the Corporation.

Section 2. In the event a Member should surrender his or her Membership certificate properly endorsed to the Secretary of the Corporation, the obligation to pay such assessments shall be limited to assessments made and levied prior to the date of surrender of the Membership certificate, provided, however, that this paragraph and the second sentence of Article XVI shall not apply to relieve a Member of his or her obligation under special agreements covering Multiple-Membership certificates held by one Member which may have been required or approved by the Farmers Home Administration.

ARTICLE XXI

The Corporation shall keep correct and complete books and records of account and shall keep minutes of the proceedings of its Members, Board of Directors, and committees, and shall keep a record of the names and addresses of its Members entitled to vote at its registered office or principle office in Texas.

Annually, the Board of Directors, through the Treasurer, shall prepare or cause to be prepared a report of the financial activity of the Corporation for the preceding year including a

statement of support, revenue, and expenses and changes in fund balances, a statement of functional expenses, and balance sheets for all funds or such financial reports as required by Texas Water Development Board. Such report shall be approved by the Board of Directors.

With prior written request, corporate records, books, and annual reports, subject to exceptions provided by the Public Information Act, Chapter 552, Texas Government Code, including any amendments thereto, shall be available for public inspection and copying by the public or their duly authorized representatives during normal business hours subject to a reasonable charge for the preparation of copies.

In the event of any conflict between the provisions of the Open Records Act and the provisions of these By-Laws, the provisions of the Open Records Act shall prevail.

ARTICLE XXII

These By-Laws may be altered, amended, or repealed by a vote of a majority of the Members present at any regular meeting of the Corporation, or at any special meeting of the Corporation called for that purpose, except that the Members shall not have the power to change the purpose of the Corporation so as to decrease its rights and powers under the laws of the State, or to waive any requirements of bond or other provisions for the safety and security of the property and funds of the Corporation or its Members, or to deprive any Member of rights and privileges then existing, or so to amend the By-Laws as to effect a fundamental change in the policies of the Corporation. Notice of any amendment to be made at a special meeting of the Members must be given at least ten (10) days before such meeting and must set forth the amendments to be considered. For so long as the Corporation is indebted for a loan or loans made by or through the Texas Water Development Board, these By-Laws shall not be altered, amended, or repealed without the prior written consent of the Executive Administrator.

ARTICLE XXIII

The seal of the Corporation shall consist of a circle within which shall be inscribed "MALOY WATER SUPPLY CORPORATION".

ARTICLE XXIV
